European School Sports Day 2022

Today we had lots of fun celebrating 'European Sports Day' here at MAMJS. The main goal of the day is to promote physical activity on an international level. We really enjoyed listening to our guest speaker - Brittany Hogan from the Irish rugby team. Brittany told us so many interesting facts about her life and career and we had plenty of questions for her! Each class became a European country for the day, and we waved our flags with pride!

We look forward to having a rest over the weekend after Ms Buckley and Ms Baynes put us through our paces at our HIIT classes throughout the day! We thank them both for organising 'European School Sports Day' and for bringing such excitement to rainy day!

6th Class GAA Match, Wednesday 28th

Congratulations to our 6th Class GAA team who played their first match of the year in St Olaf's this week. Despite losing the match by a point, the girls displayed excellent skill and sportsmanship on and off the pitch – taking home something to be proud of. Congratulations girls!

2nd Class on Wheels!

Our thanks to Molly and Katie's Dad, John, for inviting 'Orwell Wheelers' back to MAMJS. You'll see from the photos that Ms. Etáin & Ms. Lucey's 2nd Classes enjoyed fantastic 'Skills and Drills' cycling workshops. Our thanks also to the patient parents who added a bike to the list of objects needing to leave the house before 8.00am – we can see from the smiles; it was all for a great cause!

Sing-along with MAMJS! 🎵

This year, we are delighted to announce that we are learning Zootopia's 'Try Everything' as a whole-school song. Our thanks to Ms Sarah for introducing us to yet another song that is every bit as encouraging as its title! Ms Marina and her class are busy choreographing some accompanying dance moves and we look forward to joining in the fun!

The lyrics and song can be found at <https://www.youtube.com/watch?v=c6rP-YP4c5I>, so the whole family can sing a long over the weekend! As always, we remind everyone to ensure safety online while following YouTube links at home. Happy singing!

Car Park Safety

During next week's assemblies, all students will be reminded of the importance of using the paths that surround the car park during the school day, especially at drop-off and collection times. Reminding the children to avoid running across the car park will ensure that our MAMJS community continue to reach their destinations safely.

Autumnal Artwork

As you'll see from our photos, our Preparatory Classes and our Rang a hAon have been busy decorating our school with autumnal artwork. Tá duilleoga ar fud na háite! Well done girls 😊
