

14th – 18th OCTOBER 2019

Welcome to Day 1 of Maths Week 2019

Fáilte! Keep an eye out for different Maths challenges and photos around our school this week.

Our school has been very busy getting ready for MAMJS Maths Week 2019!

Monday Maths Challenge 1:

7 giraffes are eating yummy leaves. 3 more giraffes come over to join them. Then 1 giraffe walks away. How many giraffes are left eating leaves?

Monday Maths Challenge 2:

Join all the dots using four straight lines and without lifting your pencil.

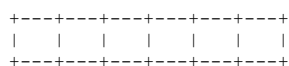

Monday Maths Challenge 3:

Farmer Black raises pigs and was raising them in modular pens, He currently has 6 pigs in the following arrangement:

He needed some walls for another project so he rearranged the pins like this:

He then found out he need 7 more wall pieces to finish his project. How did he rearrange the pens so that there was only 1 pig per pen?

Enjoy being a Mathematician this week!
