

MAMJS Maths Week 2023

16th – 20th October 2023

Maths Week Daily Bulletin

Day 2 – Tuesday, 17th October

Welcome to 'MAMJS Maths Week 2023'

Here are the solutions from yesterday's daily 'Maths Week' challenges:

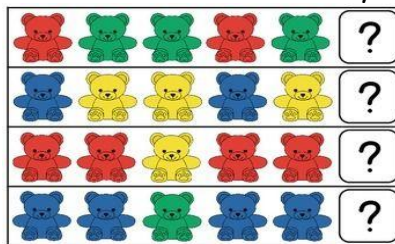

Challenge 1 solution: I am the number 12.

Challenge 2 solution: I am the number 3.

Challenge 3 solution: Tom painted the number eight 20 times (8, 18, 28, 38, 48, 58, 68, 78, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 98).

Challenge 1

Can you finish these patterns? What colour teddy bear comes next?

Challenge 2

Leon works at the aquarium. When he tries to put each turtle in its own tank, he has one turtle too many. But if he puts two turtles per tank, he has one tank too many. How many turtles and how many tanks does Leon have?

Challenge 3

Tom said that, in two years, his age would be twice as old as he was exactly five years ago. What age is Tom now?
