

MONTESSORI TIMES

ISSUE 2 ~ 16TH SEPTEMBER 2022

Ms Aoife

Ms Aoife's class are enjoying the lovely dry weather. We went on an adventure exploring the grounds of our wonderful school, finding treasures along the way.

Ms Helen

We love taking care of our classroom, it's even better when water and bubbles are involved!

Ms Claire

We were inspired by Claude, the school gardener, and his beautiful sunflowers. We made a field of sunflowers of our own and learnt about how they grow.

Ms Caroline

We have really been enjoying story time and discovering new books. Our favourites this week have been 'Owl babies' and 'Come on Daisy'!

What we are focusing on:

We have been learning how to put on our coats now that the weather is getting cooler.
